ONE PROGRAM = MANY OPTIONS

By combining the practice of French with thematic curriculum, our summer courses offer a unique immersion into French culture alongside students from all over the world.

Classes are conducted by professors of Carré international with an experience of teaching French as a Foreign Language.

Program open to anyone over 18, with no pre-requisite of diploma and/or French proficiency (except «French cinema» track for which a completed B1 level is strongly recommended).

Mornings are dedicated to the practice of language with **45 hours** of oral and written communication, reinforcement of grammatical structure, vocabulary enrichment and oral practice in an audio lab.

For the afternoons, students can choose:

- one of **6** thematic tracks which all include **30 hours** of lectures and site visits
- a **30 hour** «Leisure & visits» program.

Each session students can participate, free of charge, to one of the two one-day excursions scheduled on week-ends, provided that places are available.
